the ultimate
**No Jolt
 Stretch Leash**

NEW
 innovation

1. PRACTICAL

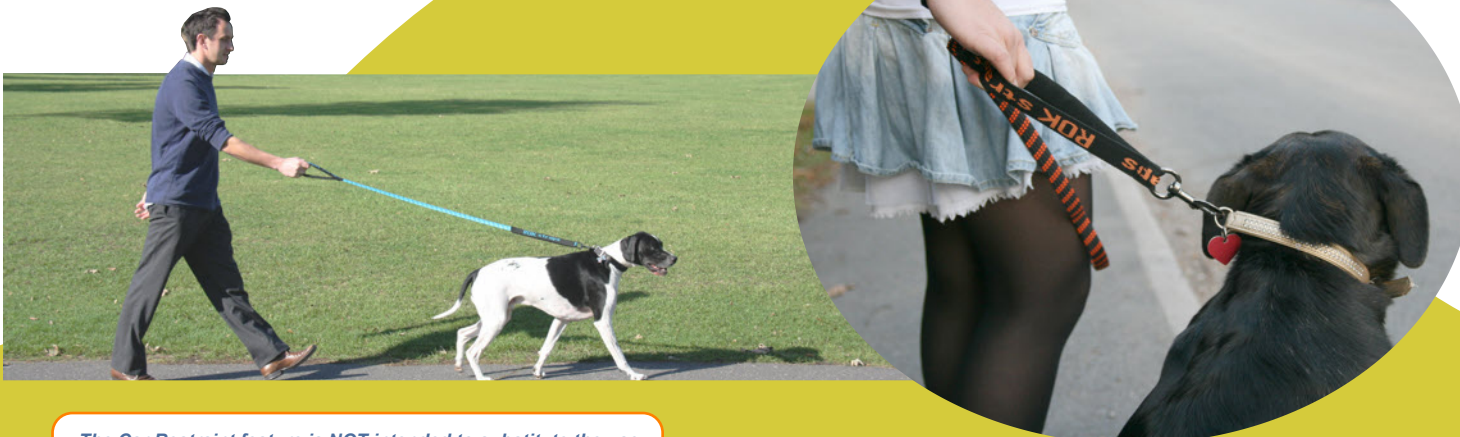

- Just enough stretch to avoid jolts, but maintains great control.
- Padded hold-loops for comfort.
- Modern, stylish design & colour range.
- High quality manufacture and hardware.

2. TRAINING

- Unlike recoil-leads, ROK's progressive tension signals your pet to stop - without the jolt.
- Solid natural rubber core with nylon outer braid extremely chew resistant.

3. SAFETY

- Unlike recoil-leads, ROK's progressive tension keeps you in control - instantly.
- Built-in Traffic Leader and Car Restraint.
- Less jolts on you, and your pet's collar and neck.
- Unlike "bungees", has minimal recoil if released.

STRETCH
NO JOLT
The Ultimate 3-in-1 Stretch Leash

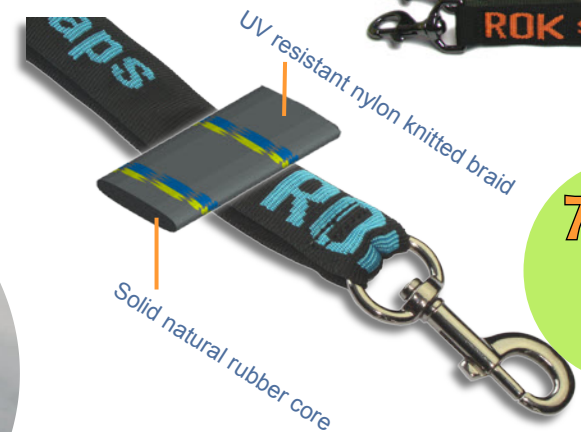

NEW No Jolt Stretch Leash

Unique construction provides just the right "give" to avoid jolts, but unlike recoil lead, keeps control

Traffic-Leader loop for instant close control & in-car restraint

Progressive tension signals your pet to stop
Ideal for training
